GENERAL INFORMATION

Conference Venue

The CNS 2016 Annual Conference will be held June 19-22, 2016 at the Toronto Marriott Downtown Eaton Centre Hotel, Toronto, Ontario, Canada.

The exhibits will be located around the perimeter of the Grand Ballroom (the lunch and banquet room) and in the Conference Foyer area. These areas will be used for the reception, student poster session, daily breakfast, luncheon and morning and afternoon break periods, thus providing maximum exposure for corporate displays to the Conference participants. The Conference plenary and technical sessions are being held on the same level, thus conveniently allowing the delegates to explore the exhibits during refreshment breaks.

Conference Theme

The theme for the CNS 2016 Conference & Exhibition is **“Nuclear in the 21ST Century: Global Directions and Canada’s Role”**.
